of legal challenges from fossil-fuel-friendly states over what kind of technology standards can be applied

after the events at sea this week, salty dog and its twin ?? the only two x-47bs in existence ?? will be return to patuxent, be demilitarized, and packed off to the navy museum.

just the other day the home depot self-checkout asked if we wanted to have our receipt sent via email rather than print it out

because it was a 8220;work8221; trip (i worked 4 hours a day for 2 days8230;big deal) i got to write off the full amount 8211; 2100 credit (6000 x 35).

generally, the extract is taken from the bark of the tree
